

A group of hands of various skin tones are clasped together in a circle, symbolizing unity and support. The background is a blurred image of a person in a blue medical coat, likely a clinician, with a stethoscope around their neck. The text is overlaid on this image in a large, white, sans-serif font.

Discarded single use stainless
steel surgical instruments

HELP STOP THIS!

Plan B is as fictitious as the lie that sustainable healthcare harms patients!

A group of hands of various skin tones are clasped together in a circle, symbolizing unity and support. The background is a blurred image of a person in a blue medical coat, likely a clinician, with a stethoscope around their neck. The text is overlaid in white, bold, sans-serif font.
